

Saint Andrew's College - Custom Donor Recognition Plaques

Location Aurora, Ontario
Designer / Architect Bhandari & Plater Inc.
Duration Jul 2003 - Aug 2003

Scope - Soheil Mosun Limited was commissioned to manufacture and install this custom donor wall consisting of (25) bronze plates.

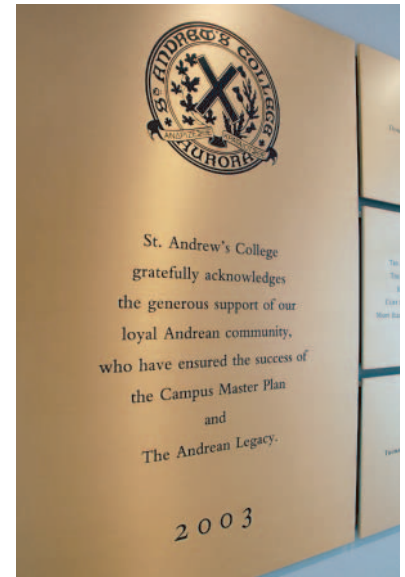

Highlights - This unique and functional donor wall is made of (25) 1/4" thick solid brushed bronze plates. Each of which are etched with custom graphics, patina filled and lacquer coated in matte finish. The pieces are offset precision mounted to give a floating effect.
